RE: Approval for use of Metal Fab Sure Seal DV Venting Systems with Monessen Hearth Systems

Dear Mr. Werth:

Monessen Hearth Systems Company are pleased to announce that CSA has approved the installations of MHSC direct vent gas appliances with Metal-Fab Sure Seal DV Venting Systems.

This approval applies to our Monessen and Martin Hearth and Heating models numbers only listed in the following attachment: Attachment A.

All Monessen Hearth Systems Company direct vent appliance installation and operation manuals will be updated, in due time, to include Sure Seal DV as an acceptable venting option for use with the applicable venting configurations.

Very truly yours,

A handwritten signature in black ink that reads "Pat Kelly". The signature is written in a cursive, slightly slanted style.

Pat Kelly  
Vice President, Marketing & Product Development
