Dear Mr. Werth

We are pleased to announce that Hearth Innovations, a division of Progressive Manufacturing, Inc., has approved the installation of our Solas and Solas Nua wall mount direct vent gas fireplaces with Metal-Fab's Sure Seal Direct Vent Chimney. Your vertical termination cap (4DVT) and horizontal termination cap (4DHT) are the only metal fab termination caps approved on this product.

Hearth Innovation's direct vent installation and operation manuals will be updated to include Sure Seal as an acceptable venting option for use within the applicable venting configurations.

Sincerely,

Patrick Moynihan
President
