RE: Approval for use of Metal Fab Sure Seal DV Venting Systems with Jopi inc.

Dear Mr. Werth:

We at Jopi inc. are pleased to announce that Intertek Testing Services have approved the installations of Piazzetta direct vent gas ZC fireplaces with Metal-Fab Sure Seal DV Venting Systems.

This approval applies to Models JP27x20, JP42x20, and JP42x20ST See-Thru Fireplaces.

All Piazzetta, direct vent appliance installation and operation manuals will be updated, in due time, to include Sure Seal DV as an acceptable venting option for use with the applicable venting configurations.

Very truly yours,
