Mr. Brian Werth
New Product Development Manager
Metal-Fab, Inc.
3025 May Ave.
Wichita, KS 67213

Dear Mr. Werth,

We here at Savannah Heating are pleased to announce that the Metal-Fab Sure Seal DV venting system has now been approved for use on all of our direct vent gas fireplaces.

All Tasman & Elite fireplace operation manuals will be updated to include Sure Seal as an acceptable venting option. All of the same guidelines currently outlined in our installation instructions will apply to Sure Seal vent installation as they do to all other currently approved products.

Vent adapters are available from Metal-Fab to accommodate our units as all of our fireplaces currently use 4 & 7 pipe.

Regards,

A handwritten signature in blue ink, appearing to read "Craig McClean", is written over the typed name.

Craig McClean
General Manager
