FAX Cover Sheet

Date: **12/12/2011**

From: Travis Industries

To: Brian Werth

At: Metal-Fab Inc.

Subject: Termination approval

Number of pages: 1 including cover

Mr. Brian Werth,

In regards to your inquire regarding venting approval on the Avalon model "Tree of Life". That model carries a duplicate listing with the Lopi model "Berkshire" for which you are already tested and approved. Both models use an identical firebox, burner and pilot assembly and are identical other than the exterior castings.

Please let me now if you have any further questions.

Larry Franchimon
